Highlights

Developed for Senseo

The formula of this Senseo Liquid descaler has been developed specifically for Senseo appliances. Use only Senseo approved descaler; vinegar or any other descalers might damage your machine.

Easier than ever!

The Senseo Liquid Descaler comes with clear instructions for use, enabling quick, easy and safe decalcification.

Optimal Coffee Taste

Descaling regularly with the Senseo Liquid Descaler will: ensure you have maximum cup volume, ensure you have optimal coffee temperature, prevent limescale from clogging your Senseo appliance, prolong your Senseo machine lifetime

Regular Descaling

Descalcify your Senseo appliance at least once every 3 months to keep your appliance in top conditions and make sure your coffee always tastes the best.
