Compact and lightweight, the Energizer® X-Focus has many features usually seen in larger torches but fits easily in pocket or handbag. The bright white LED provides 7 lumens of light and it can illuminate objects up to 25 metres away. In addition, the light can be easily focused from a tight spot to a flood beam. This torch is an economical lighting solution as well. It provides useable light for 1½ continuous hours using 1 Energizer® MAX® A23 battery.
